MULTIMODALS

HAZARDOUS MATERIALS TRAINING SEMINARS

Schedule 2004-2005

August 10-11, 2004	White Plains, NY
November 16-17, 2004	Baton Rouge, LA
January 25-26, 2005	Ontario, CA
March 8-9, 2005	Miami, FL
April 26-27, 2005	Richmond, VA
June 7-8, 2005	Louisville, KY

WHO SHOULD ATTEND

Hazmat Employers and Employees

Current regulations require training (and retraining) of all employees who perform work functions covered by the Hazardous Materials Regulations (HMR; 49 CFR Parts 171-180). Any employee who works in a shipping, receiving or material handling area or who may be involved in preparing or transporting hazardous materials is required to have training.

It is the hazmat employer's responsibility to fully comply with the training requirements, Part 172 Subpart H of 49 CFR. Failure to train employees appropriately may result in civil and/or criminal penalties of up to **\$32,500** per violation.

BREAKOUT DESCRIPTIONS

❑ **How to Use the HMR** - Review how to locate specific HM information in the Hazardous Materials Regulations (HMR; 49 CFR), e.g., Hazardous Materials Table, mode restrictions, proper shipping name, hazard class, division number, ID number, packing group and packaging, special provisions, labeling, marking, and placarding requirements.

❑ **Hazardous Materials Training Requirements** - Discuss the hazmat employer and employee training requirements in 49 CFR 172.700.

❑ **Package Selection, Marking, and Labeling Requirements** - Learn how to select the proper package, properly mark the package, and label the package.

❑ **Shipping Papers and Emergency Response Information** - Learn how to properly describe a hazardous material on a shipping paper including additional descriptions and emergency response information.

❑ **Placarding Requirements** - Learn how to determine the required placarding when offering and/or transporting hazardous materials by all modes of transportation.

❑ **How to Use the ERG** - Review how the DOT Emergency Response Guidebook is organized and how it can be used during the initial phase of a HM incident.

❑ **Legal & Regulatory Developments** - Review recent and pending decisions and issues concerning the relationship between Federal, state, and local HM requirements and preemption. Discuss the recent regulatory changes to 49 CFR.

❑ **RSPA's Enforcement/Inspection Program** - Review the inspection and enforcement program of hazardous materials packaging and related retesting and reconditioning activities.

❑ **Transporting HM by Air, Highway, Rail, and Water** - Learn how to recognize HM (dangerous goods) and review safety issues unique to each mode of transportation.

❑ **State/Local HM Enforcement/Inspection Programs** - Learn how state and local enforcement authorities implement the enforcement of 49 CFR.

❑ **Specialized Bulk Packagings and Cargo Tanks** - Discuss specifications and usages for intermediate bulk containers and IM portable tanks. Discuss the specifications and requirements for cargo tanks.

❑ **Performance-Oriented Packaging (POP)** - Presents an overview of the non-bulk performance-oriented packaging standards found in 49 CFR Part 178 that covers the authorization, design, construction, testing, certification, and marking of packages.

❑ **RSPA Enforcement Focus** - This session is tailored for each seminar and focuses on topics of interests to the local HM community as identified by RSPA's regional enforcement office. Please check our website at <http://hazmat.dot.gov/training.htm> for the session topic that will be addressed at the seminar you plan to attend.

❑ **Focus Session: Hazardous Materials Transportation Security** - Provides an understanding of the security threat, an overview of the specific requirements of HM-232, and suggestions and guidance on how to comply with the regulations.

Note: Several breakout sessions are given twice so that you can take advantage of the many sessions we have to offer.

DAY 1

8:00 - 9:00AM Registration

9:00 - 10:00AM General Session

10:15 - 11:45AM Concurrent Breakout Sessions (choose one)

- How to Use the HMR
- RSPA's Enforcement/Inspection Program
- Transporting HM by Air
- Placarding Requirements
- How to Use the ERG

1:15 - 2:45PM Concurrent Breakout Sessions (choose one)

- RSPA Enforcement Focus
- State/Local HM Enforcement/Inspection Programs
- Transporting HM by Rail
- Package Selection, Marking, and Labeling Requirements
- Specialized Bulk Packagings and Cargo Tanks

3:00 - 4:30PM Concurrent Breakout Sessions (choose one)

- Legal & Regulatory Developments
- HM Training Requirements
- Shipping Papers and Emergency Response Information
- Transporting HM by Highway
- How to Use the HMR

DAY 2

7:30 - 8:00AM Registration

8:00 - 9:30AM Concurrent Breakout Sessions (choose one)

- Transporting HM by Air
- Placarding Requirements
- Shipping Papers and Emergency Response Information
- Legal & Regulatory Developments

9:45 - 11:15AM Concurrent Breakout Sessions (choose one)

- HM Training Requirements
- Transporting HM by Water
- Transporting HM by Highway
- Performance Oriented Packagings

11:30 - 12:00PM Wrap-Up (Q & A)

1:00 - 4:00PM Focus Session - HM Transportation Security
